

20 Ways To *IMPROVE* Attitudes

“What can I do to *IMPROVE* my **attitude**?” This is one of the most asked questions I get. Being positive most of the time allows you to enjoy life more.

Here are 20 practical ideas to help you get a positive attitude and keep it.

1. **Be Yourself** – Do more of the things you love. It is the only way to be happy.
2. **Improve Yourself** – If you’re improving, even a little bit, you’ll be more positive.
3. **Help Others** – Nothing makes a person feel better than helping others in need. When you help others, you can’t help but be more positive.
4. **Take an Attitude Inventory** – Your attitude and those around you.
5. **Birds of a Feather** – You will eventually become like the people you hang around. Keep yourself in the company of positive thinking people. Distance yourself from the doom and gloomers, find more positive people to spend time with.
6. **Be Selective** – Of information you get. Garbage in, Garbage out.
7. **Be a Doer** – Rather than a watcher. Take a walk rather than watching *The Biggest Loser*.
8. **Be an Attitude Warrior** – If you don’t defend your attitude, who will?
9. **Don’t Be Perfect** – Bad crap happens to good people. Don’t expect to be positive 100% of the time, just try to be positive as often as possible.
10. **One of Those Days** – It’s OK to have one of those days, just not five years in a row.
11. **Choose** – You’re responsible for our own attitude; others do not control how you think. Decide to be positive and make it happen.
12. **Relax** – Don’t fight a challenging situation, it only makes it worse. Relax, breathe and accept it.
13. **Affirmations** – Think positive thoughts and say positive things to yourself. It might seem goofy but it works!
14. **Be Grateful** – For what you have. There is always something to be grateful for.
15. **Laugh** – Bring more laughter into your life. It is a powerful way to improve your attitude.
16. **Pray or Meditate** – For a couple of minutes every day. You’ll be surprised how positive this can be.
17. **Celebrate** – Your own successes and the successes of those around you as often as you can.
18. **Have a Plan** – It lets you stay focused on where you are going instead of getting bogged down in the day to day drama.
19. **Control Your Environment** – You make choices everyday about where you live, the work you do, and where you go. If your environment isn’t supporting your positive attitude, change it.
20. **Be Selfish** – Take care of *YOU* first. Give yourself permission to make *YOU* a priority.
