**Academy Meeting at the Coeur d'Alene Resort in Coeur d'Alene, Idaho
General Meeting Speaker, Friday, June 10, 2022**

Roy Spence
Cofounder & Chairman, GSD&M
Cofounder & CEO, The Purpose Institute
Founder & CEO, MakeltMovement.org

Roy and his partners, right out of The University of Texas at Austin, built GSD&M from scratch into a purpose-based marketing, advertising and idea machine - building iconic brands like Southwest Airlines, Don't Mess with Texas, The PGA Tour, Walmart, The United States Air Force, Goodyear, American Institute of Architects and DreamWorks. Roy has always held a deep belief that purpose-inspired marketing can be a force for good. He and his partners are always the first to donate time and talent, creating powerful PSAs when disasters hit America like 9/11 and Hurricane Katrina as well as creating an historic moment by getting all the former US Presidents to create a 30 second PSA when Hurricane Harvey and Irma hit in 2017. He is now on a mission to use the power of purpose-based marketing to bring America together on higher ground and begin putting the US back into USA. Roy's most passionate endeavor is the MakeltMovement.org of which he is the founder and CEO. The purpose of the MakeltMovement.org is to use marketing as a force for good to support school counselors, teachers and parents to help students - while they are in middle school high school - discover their purpose and talents. Using fun and interactive marketing, students are connected to a whole new world of high-skill/high-income careers that they don't yet know about and when they discover them, they are blown away.

Recognition

Inducted into the American Advertising Federation Hall of Fame, named "Adman of the Century" by *Texas Monthly* magazine, Distinguished Alumnus of the University of Texas at Austin, The University of Texas McCombs School of Business Hall of Fame and Lyndon Baines Johnson Foundation board member
