The Academy is pleased to offer a golf outing for Fellows and their guests on **Saturday** afternoon, June 10. We have a **12:30 shotgun start** at the **Jackson Hole Golf Club**. Laurance Rockefeller was an avid golfer and resort property owner in Jackson Hole and purchased the club in 1967. He then hired Robert

Trent Jones, Jr. for a major remodeling plan. The course is nestled in the shadow of the Grand Tetons, but it is about 35 minutes away.

We have **not** scheduled an Academy golf outing for **Friday** afternoon because of the tight schedule for the Friday evening (Shootout in downtown Jackson and dinner on your own). If golf is more important to you than the Friday evening event, we can help you schedule golf for Friday afternoon.
