Academy Rules re. Emeritus Stats

Please note that Section 8 of the Academy Rules indicates that “Any Fellow who does not attend three consecutive annual meetings of the Academy of Electrical Contracting will become a Fellow Emeritus upon action of the Board of Directors.”

Since we were unable to have annual meetings in 2020 and 2021 due to COVID, we are going to “start over” counting the three consecutive meetings, beginning with the 2022 meeting that was held in Coeur d’Alene.

Academy Jury

According to the Academy Rules, Section 3, The Chairman will annually appoint a Jury of 12 Fellows to review nominations for Fellowship. Jury members typically serve 3-4 years.

We’d like to thank the following Jury members who finished their 4-year terms in 2022:

- Lanny Thomas, District 3
- Sue King, District 8
- Ken Paganini, District 9

Nominations

The nominations deadline is rapidly approaching! Now is the time to consider a deserving person you feel should share this honor. Are there people in your chapter, district or region that have rendered exceptional service to NECA and the electrical construction industry?

If you have someone in mind, please talk with your chapter executive to see if they are willing to help you with the task. **OR**, you might consider doing it on your own - you will need one other Academy Fellow who agrees to counter-sign the nomination.

The nomination process, forms and instructions are available below. Please contact Diane Jacobson and she'll walk you through the online process and answer any questions you may have.

Traci Walker, Diane Jacobson and John Grau, Secretary of the Jury, are available to work with nominators to present their candidate in the best possible light.

Academy Nominations are due March 1, 2023.

Please remember the confidential nature of the nomination and selection process.
