

Federal Government Will Not Enforce Federal Contractor Vaccine Mandate

What is the Coronavirus?

Coronavirus Disease 2019 (COVID-19) is a respiratory disease caused by the Severe Acute Respiratory Syndrome (SARS)-CoV-2 virus. The current mutation is a new strain of the SARS virus and no individual has any immunity prior to an exposure. The CDC has reported that testing has begun on a vaccine but for now, everyone should prepare and plan for possible impacts resulting from COVID-19. It has spread from China to many other countries around the world, including the United States.

Regarding Applicable Court Orders and Injunctions: To ensure compliance with an applicable preliminary nationwide injunction, which may be supplemented, modified, or vacated, depending on the course of ongoing litigation, the Federal Government will take no action to implement or enforce Executive Order 14042. For existing contracts or contract-like instruments (hereinafter “contracts”) that contain a clause implementing requirements of Executive Order 14042, the Government will take no action to enforce the clause implementing requirements of Executive Order 14042, absent further written notice from the agency.
