

## Flying to Quebec City:

The closest major airport to Quebec City is **Jean Lesage International Airport (YQB)**. The International Terminal there has undergone significant improvements and immigration is relatively easy to navigate. Of course, you'll **need your passport!** The Frontenac only 8 miles from the airport.

We do **NOT** recommend a rental car because the Frontenac is in the middle of a walled city with limited parking ~ and everything is walkable. We are providing transportation to most of the place you will want to go.

There are **NOT** a lot of flights from the US to Quebec ~ so you'll probably fly somewhere first (like Montreal or Toronto). According to the airport's website, the **airlines listed below fly to YQB**; listed by originations of **non-stop** flights (with the number of daily arriving flights):

#### Air Canada

- Montreal (11 flights)
- Toronto (5 flights)

#### American

#### Porter

We recommend taxis for **transportation from YQB to the Frontenac** (and return) but if you prefer arranged transportation, here is the recommendation from the Fairmont:

Shuttle service provided by **Limousine A1** is safe and reliable. This is an **exclusive offer for clients of the Fairmont Le Chateau Frontenac**:

Flat rate of \$25 (CAD) per person plus taxes ~ one-way ~ either from YQB to the Fairmont or return from the Fairmont to YQB. Note: \$25 Canadian is about \$20 US.
