Group purchases made by chapters will be activated upon our receipt of pre-payment in full for the 12-month period. Promo codes are limited to use by the individual originally authorized to use them. The chapter manager will issue the individual promo codes to NECA member contractors. Over the course of a subscription period a chapter manager may add new participants by notifying NSN. Payment covering their individual subscriptions will be made by the chapter on a pro rata basis for time remaining on the chapter's prepaid subscription.
