

## INDEX OF ELECTRICAL MATERIALS

### A

Air Conditioning Equipment (see <i>Heating Ventilation and Air Conditioning</i> )	
Airport Lighting (see <i>Lighting Fixtures</i> )	
Aluminum	
Cable (see <i>Cable</i> ) Conduit (see <i>Conduit</i> )	
Conduit (see <i>Conduit</i> )	
Aluminum Building Wire (see <i>Wire</i> )	
Aluminum Flex Conduit (see <i>Conduit</i> )	
Aluminum Cable Tray (see <i>Cable Tray</i> )	
Aluminum Conduit (ARC) (see <i>Conduit</i> )	
Aluminum Wire (see <i>Wire</i> )	
Armored Cable (see <i>Cable</i> )	
Automatic Transfer Switch (ATS) (see <i>Transfer Switches</i> )	
Audio/Video Systems (A/V)	
Equipment.....	390
Speakers.....	390
Accessories.....	390

### B

Backup Generator	
Generator without Fuel Tank Up to 60 KW.....	340
Generator without Fuel Tank Over 60 KW.....	340
Generator – Controls.....	341
Generator – Loadbank.....	342
Generator - Miscellaneous.....	341
Transfer Switches (see <i>Transfer Switches</i> )	
Basket Tray (see <i>Cable Tray</i> )	
Battery Equipment	
Battery – Charging System.....	345
Battery – Disconnect Switch.....	345
Battery – Rack.....	344
Hydrogen Detection System.....	345
UPS up to 600V Self Contained.....	343
UPS – Single Phase.....	343
UPS – Three Phase.....	343
Bonding (see <i>Grounding and Bonding</i> )	
Boxes	
Cast Boxes.....	201
Junction and Pull Box	
NEMA 1.....	218
NEMA 3R.....	218
NEMA 12.....	218
NEMA 13.....	219
NEMA 4.....	218
Steel Box – Covers.....	200
Steel Box – Knockout Type.....	200
Steel Box – Masonry.....	201
PVC Junction Box.....	216

## INDEX OF ELECTRICAL MATERIALS

Branch Circuit Disconnects (see <i>Electrical Distribution</i> )	
Branch Circuits	
Conduit (see <i>Conduit</i> )	
Wire (see <i>Wire</i> )	
Building Disconnects (see <i>Electrical Distribution</i> )	
Building Wire (see <i>Wire</i> )	
Bus Duct & Busway	
Bus duct – 3 Phase – Plug-In.....	298
Bus duct – 3 Phase - Fittings.....	298
Bus duct – Switches.....	303
Busway – 2-Pole.....	296
Busway – 3-Pole.....	297
Trolley Busway.....	297

### C

Cabinets	
CT Cabinets.....	219
Cable	
Armored (AC).....	130
5 KV (see <i>Medium Voltage Cable</i> )	
15 KV (see <i>Medium Voltage Cable</i> )	
Coaxial Cable.....	379
Control Cable.....	158
Medium Voltage (MV) (see <i>Medium Voltage Cable</i> )	
Metal-clad (MC) .....	154
Mineral Insulated (MI).....	157
Optical fiber (see <i>Communications (Telephone and Data)</i> )	
Teck Cable.....	146
Tray Cable.....	160
Splices.....	
Underground.....	
Cable Tray	
Aluminum	
Ladder Type.....	
Solid Cover.....	
Fiberglass	
Ladder Type.....	
Solid Cover.....	
Steel	
Ladder Type.....	
Solid Cover.....	
Basket Type Wire Tray.....	
Center Rail Spline Cable Tray.....	
Cartridge Fuses (see <i>Fuses</i> )	
Cast Aluminum Boxes (see <i>Boxes</i> )	
Cathodic Protection.....	
CATV System.....	
Ceiling Fans (see <i>Heating Ventilation and Air Conditioning</i> )	

## INDEX OF ELECTRICAL MATERIALS

Circuit Breakers (see *Electrical Distribution* )

Civil Work

Backfill.....	.....
Excavation.....	.....
Trenching.....	.....
Shoring.....	.....
Concrete.....	.....
Reinforcing Bar (Rebar).....	.....

Clock System.....

Coaxial Cable (see *Cable* )

Combination Starters (see *Starters* )

Communications (Telephone & Data)

Fiber Optic Cabling.....	.....
Modular Couplers, Jacks, Connectors.....	.....
Signal Cabinets.....	.....
Cable.....	.....
Terminations – Copper.....	.....
Terminations – Fiber Optic.....	.....
Patch Panels.....	.....
Racks.....	.....
Testing.....	.....

Compact Fluorescent Lamps (see *Lamps* )

Concrete (see *Civil Work* )

Conductors

Aluminum Building Wire.....	.....
Armored Cables (see <i>Cables</i> )	
Copper Building Wire.....	.....

Conduit

Electrical Metallic Tubing (EMT)

Conduit.....	.....
Couplings.....	.....
Elbows.....	.....
Bend.....	.....
Connector.....	.....

Electrical Non-Metallic Tubing (ENT)

Conduit.....	.....
Couplings.....	.....
Connectors.....	.....

Fiberglass Conduit.....

Conduit.....	.....
Couplings.....	.....
Elbows.....	.....
Threaded Adapters.....	.....
Expansion Couplings.....	.....

Flexible Steel Conduit (FSC)

Conduit.....	.....
Connectors.....	.....
Couplings.....	.....

## INDEX OF ELECTRICAL MATERIALS

High-Density Polyethylene Pipe (HDPE)	
Conduit.....	
Couplings.....	
Conduit Adapters.....	
Intermediate Metallic Conduit (IMC)	
Conduit.....	
Elbow.....	
Bend.....	
Nipples.....	
Liquidtight Flexible Steel Conduit (LFSC)	
Conduit.....	
Connectors.....	
Couplings.....	
Polyvinyl Chloride Conduit (PVC)	
Conduit.....	
Elbow.....	
Bend.....	
Conduit Adapters.....	
Expansion Coupling.....	
Ends.....	
Sch 80 – Conduit.....	
EB/DB – Conduit.....	
Sch 40 – In Trench.....	
Sch 80 – In Trench.....	
PVC Coated Rigid Steel Conduit	
Conduit.....	
Elbows.....	
Terminations.....	
Nipples – Factory Cut.....	
Nipples – Field Cut.....	
Couplings.....	
Expansion Couplings.....	
Rigid Aluminum Conduit	
Conduit.....	
Elbow.....	
Bends.....	
Terminations.....	
Expansion Couplings.....	
Nipples.....	
Rigid Steel Conduit (RMC, RSC, GRC, or GRS)	
Conduit.....	
Couplings.....	
Elbow.....	
Bends.....	
Terminations.....	
Nipple – Field Cut.....	
Stainless Steel Conduit	
Conduit.....	

## INDEX OF ELECTRICAL MATERIALS

Elbow.....	
Bends.....	
Surface Metal Raceway.....	
Surface Nonmetallic Raceway.....	
Plastic Spacers.....	
Conduit Body	
Steel Threaded Conduit Bodies.....	
Steel Set Screw Conduit Bodies.....	
Threadless Conduit Bodies.....	
Aluminum Threaded Conduit Bodies.....	
PVC Conduit Bodies.....	
Conduit Clamps and Entrance Caps .....	
Connectors	
EMT Connectors (see <i>Conduit – Electrical Metallic Conduit</i> )	
Flexible metal conduit (see <i>Conduit – Flexible Steel Conduit</i> )	
Liquidtight conduit (see <i>Conduit – Liquidtight Flexible Steel Conduit</i> )	
Contactors	
Enclosed – Heating.....	
Enclosed – Lighting.....	
Copper Building Wire (see <i>Wire</i> )	
Cords	
Cord Bodies.....	
Flexible Cord (S-SJ-SO).....	
Couplings	
Conduit (see <i>Conduit</i> )	
Busway (see <i>Busways</i> )	

### D

Data (see <i>Communications</i> )	
Devices (see <i>Wiring Devices</i> )	
Dimmer (see <i>Wiring Devices</i> )	
Disconnect Switch (see <i>Electrical Distribution</i> )	
Drilling and Coring	
Drilling Holes – Steel.....	
Drilling Holes – Wood.....	
Roto-Hammer Concrete.....	
Core Drill Concrete.....	
Duct Heaters (see <i>Heating Ventilation and Air Conditioning</i> )	
Duplex Receptacle (see <i>Wiring Devices</i> )	

### E

EMT - Electrical Metallic Tubing (see <i>Conduit</i> )	
ENT - Electric Nonmetallic Tubing (see <i>Conduit</i> )	
Electric Space Heating (see <i>Heating Ventilation and Air Conditioning</i> )	
Electrical Distribution.....	
Transformers (up to 600V)	
Indoor up to 600V Primary.....	
Single Phase Floor Mounted.....	
Single Phase Wall Mounted.....	

## INDEX OF ELECTRICAL MATERIALS

Three Phase Floor Mounted.....	
Three Phase Wall Mounted.....	
Switchboards	
Switchboard Handling.....	
Switchboard/Gear Section.....	
Switchboard Circuit Breaker.....	
Integrated Power Centers.....	
Panelboards	
Panelboard Empty Enclosure .....	
Panelboard Circuit Breaker.....	
Motor Control Centers.....	
Meter Sockets and Meter Centers.....	
Circuit Protective Devices	
Disconnect Switch (Safety Switches).....	
Enclosed Circuit Breakers.....	
Fuses (see Fuses).....	
Electrical Vehicle Charging Systems	
Wall Mount.....	
Ceiling Mount.....	
Pedestal Mount .....	
Emergency Generators (see Backup Generator).....	
Excavation and Fill (see Civil).....	
Exit Fixtures (see Lighting Fixtures).....	
Expansion Couplings (see Conduit).....	
Expansion Fittings (see Conduit).....	
Explosion Proof	
Single Receptacle.....	
Polarized Pin Receptacle.....	
Receptacle Male Attachment Cap.....	
Snap Switch.....	
Safety Switch.....	
Conduit Seal Fittings.....	

### E

Fiber Optic Cable (see Communications)	
Fiberglass Boxes (see Boxes)	
Fiberglass Ladder Cable Tray (see Cable Tray)	
Fire Alarm System	
Fire Alarm Devices.....	
Fire Alarm Wire.....	
Fire Proof Tape.....	
Firestop Material.....	
Backboard.....	
Floor Penetrations.....	
Pillows.....	
Wall Penetrations.....	
Fixtures (see Lighting Fixtures)	
Flat Undercarpet Conductors .....	

## INDEX OF ELECTRICAL MATERIALS

Flexible Cords and Cables (see Cords)  
Flexible Metal Conduit (see Conduit)  
Flexible Nonmetallic Conduit (see Conduit)  
Floor Boxes, Covers, and Accessories.....  
Fluorescent Fixtures (see Lighting Fixtures)  
Fluorescent Lamps (see Lamps)  
Fuses  
    Bolt-on Fuses.....  
    Cartridge Fuses.....

### G

Galvanized Cast Boxes and Covers (see Boxes).....  
Galvanized Conduit (see Conduit).....  
Ganged Boxes (see Boxes).....  
Generator Heat and Power (CHP) .....  
Generator Fuel Cell  
    Standby Generator Hookup.....  
    Wind Electric Systems.....  
GRC - Galvanized Rigid Conduit (see Conduit).....  
GRS - Galvanized Rigid Steel (see Conduit).....  
Generators (see Backup Generator).....  
Grounding and Bonding  
    Bare Copper Ground Conductors.....  
    Cadweld Connections.....  
    Grounding Bushings.....  
    Ground Bar.....  
    Ground Clamps.....  
    Ground Rods.....

### H

Hanger and Supports  
    Anchors.....  
    Bolts.....  
        Cable Supports.....  
        Conduit Strap.....  
    Fixture Mounting Accessories.....  
        Hanger Channels.....  
        Hanger Rods.....  
    Hanger Conduit Clamp.....  
    J-Hooks.....  
    Nuts.....  
    Screw.....  
    Washers.....  
Hazardous Locations (see Explosion Proof)  
Healthcare Facilities  
    Nurse Call.....  
    Code Blue.....  
    Patient Monitoring.....  
Heat Cable, Heat Trace, and Accessories (see Heating Ventilation and Air Conditioning)

## INDEX OF ELECTRICAL MATERIALS

### Heating Ventilation and Air Conditioning (HVAC)

Ceiling Fans.....	.....
Ceiling Fans – Low Velocity.....	.....
Duct Heaters.....	.....
Electric Wall Heaters.....	.....
Heat Tape and Accessories.....	.....
Radiant Heating.....	.....
Temperature Controls.....	.....
Temperature Sensors.....	.....
Thermostat.....	.....

### HID Fixtures (see *Lighting Fixtures*)

### HID Lamps (see *Lamps*)

### Hole Drilling and Coring (see *Drilling and Coring*)

## I

### Incandescent Light Fixtures (see *Lighting Fixtures*)

### Information Technology (see *Communications (Telephone and Data)*)

### Instrumentation and Controls for HVAC (see *Heating Ventilation and Air Conditioning*)

### IMC - Intermediate Metal Conduit (see *Conduit*)

## J

### Jacking Conduit (see *Roadway Construction*)

### Junction Boxes (see *Boxes*)

## K

### Kellems Grips (see *Wiring Devices*)

## L

### Ladder Tray (see *Cable Tray*)

### Lamps

Compact Fluorescent Lamps.....	.....
Fluorescent Lamps.....	.....

### Light Poles (see *Roadway Traffic Lights and Signals*)

### Lighting (see *Lighting Fixtures*)

### Lighting Control

Occupancy Sensors.....	.....
Dimmers.....	.....
Time Clocks.....	.....

### Lighting Fixtures

Airport Lighting (Runway).....	.....
Fluorescent Fixtures.....	.....
High Bay Fixtures.....	.....
Low Bay Fixtures.....	.....
Chain Hung.....	.....
Cove Lighting Fixture.....	.....
Linear Fixture.....	.....
Exit Fixture.....	.....
Recessed Light Fixtures.....	.....
Track Lighting.....	.....
Wall Sconce.....	.....

## INDEX OF ELECTRICAL MATERIALS

Mounting (see Hangers and Supports).....

Supporting (see Hangers and Supports).....

Lightning Protection.....

Loadcenters (see Electrical Distribution ).....

Low-Voltage Lighting (see Lighting Fixtures ).....

Lugs and Clamps

    Compression.....

    Mechanical.....

    Split Bolt Connectors.....

Luminaires (see *Lighting Fixtures* )

### **M**

Man Holes and Hand Holes.....

Manual Motor Starters (see *Starters* )

Manufactured Wiring Systems (see *Wire* )

Medium Voltage Cable

    5 KV.....

    5 KV – Armored.....

    15 KV.....

    15 KV – Armored.....

    Terminators.....

    Stress Relief Cones.....

    Potheads.....

    Load break Elbows.....

    Splices – Cold Shrink.....

    Splices – Heat Shrink.....

    Splices – Armored.....

Medium Voltage Distribution

    Transformers.....

    Switchgear.....

Metal Clad Cable (see *Cable* )

Meter Sockets and Meter Centers (see *Electrical Distribution* )

Modular Couplers, Jacks, Connectors (see *Communications*)

Motor Control Centers (see *Electrical Distribution* )

Motor Control Equipment (see *Electrical Distribution* )

Motor Controllers (see *Electrical Distribution* )

Motor Disconnect (see *Motors* )

Motor Hookup and Mechanical Hookup (see *Motors* )

Motors

    Motor Handling.....

    Motor Mounting.....

    Motor Leveling and Rotation.....

    Motor Starter (see *Starters* )

    Motor Disconnect (see *Electrical Distribution* )

Multioutlet Assemblies (see *Wiring Devices* )

MV Switchgear (see *Medium Voltage Distribution* )

## INDEX OF ELECTRICAL MATERIALS

### N

Nipples (see *Conduit* )  
Non-Metallic Cable (see *Cable* )  
Nonmetallic Sheath Cable (see *Cable* )

### O

Optical Fiber Cables and Raceways (see *Communications (Telephone and Data)*)  
Outlets (see *Wiring Devices*)  
Overcurrent Protection (see *Circuit Protection Devices*)  
Overhead Distribution Systems (see *Electrical Distribution* )

### P

Panelboards (see *Electrical Distribution* )  
Photovoltaic Systems  
    Photovoltaic Solar Modules.....  
    Photovoltaic Solar Inverters.....  
    Photovoltaic Roof Mounting Systems.....  
Plastic Boxes (see *Boxes* )  
Plug Fuses (see *Fuses* )  
Power Cable (see *Cable* )  
Power Cord Receptacles and Plugs (see *Wiring Devices* )  
Power Poles (see *Wiring Devices* )  
Precast Concrete Access Boxes (see *Manholes*)  
Pull Box (see *Boxes* )  
PVC - Polyvinyl Chloride Conduit (see *Conduit* )  
PVC Coated Galvanized Rigid Conduit (see *Conduit* )

### R

Raceway  
    Conduit (see *Conduit* )  
    Innerduct.....  
    Surface Raceways (see *Conduit*)  
Receptacles (see *Wiring Devices* )  
Reducing Bushings (see *Conduit* )  
Reducing Washers (see *Conduit* )  
Reinforcing Bars (Rebar)(see *Civil* )  
Removal (see *Demolition* )  
RMC - Rigid Metal Conduit (see *Conduit* )  
Roadway Construction  
    Jacking Conduit.....  
    Maintenance and Protection of Traffic (Barricades).....  
Roadway Traffic Lights and Signals  
    Computerized Traffic Controller.....  
    Traffic Signal Lights.....  
    Poles – Steel or Aluminum.....  
    Poles – Wood.....  
    Vehicle Detection.....  
Romex (see *Cable* )

## INDEX OF ELECTRICAL MATERIALS

### S

Safety Switches (see <i>Electrical Distribution</i> )	
Security - Access Control	
Access Control Systems	
Access Control Devices.....	
Security - Intrusion Detection	
Control Panels.....	
Signaling Devices.....	
Detection Devices.....	
Security - Miscellaneous	
Emergency Phone (Blue Phone).....	
Switches.....	
Security - Video Surveillance (CCTV)	
Security CCTV Systems.....	
Video Surveillance Cameras.....	
Service Conductors—Overhead (see <i>Wire</i> )	
Service Conductors—Underground (see <i>Wire</i> )	
Service Disconnect (see <i>Electrical Distribution</i> )	
Service Entrance (see <i>Electrical Distribution</i> )	
Service Entrance Cable (see <i>Cable</i> )	
Service Entrance Conductors (see <i>Wire</i> )	
Service Entrance Equipment (see <i>Electrical Distribution</i> )	
Service Fittings (see <i>Electrical Distribution</i> )	
Services (see <i>Electrical Distribution</i> )	
Signal Cabinets (see <i>Communications</i> )	
Signal Systems (see <i>Communications</i> )	
Signs and Outdoor Lighting.....	
Single Receptacle (see <i>Wiring Devices</i> )	
Sleeves.....	
Snow Melting Mats.....	
Solar (see <i>Photovoltaic Systems</i> )	
Solid/Ventilated Aluminum Cable Tray (see <i>Cable Tray</i> )	
Solid/Ventilated Steel Cable Tray (see <i>Cable Tray</i> )	
Standby Generator Hookup (see <i>Generators</i> )	
Starters	
Combination Starter.....	
Manual Motor Starters.....	
Steel Channel and Fittings (see <i>Conduit</i> )	
Steel Flex Conduit (see <i>Conduit</i> )	
Steel Ladder Cable Tray (see <i>Cable Tray</i> )	
Strap (see <i>Hanger and Supports</i> )	
Support (see <i>Hanger and Supports</i> )	
Surge Protection (see <i>Wiring Devices</i> )	
Switchboard (see <i>Electrical Distribution</i> )	
Switches (see <i>Wiring Devices</i> )	

## INDEX OF ELECTRICAL MATERIALS

### I

Telephone (see <i>Communications</i> )	
Television (see <i>CATV</i> )	
Temperature Controls (see <i>Heating Ventilation and Air Conditioning</i> )	
Temporary Installations	
Lighting.....	.....
Power.....	.....
Utilities.....	.....
Temporary Utilities (see <i>Temporary Installations</i> )	
Terminations	
Terminal Blocks .....	.....
Wire (see <i>Wire Terminations</i> )	
Lugs (see <i>Lugs and Clamps</i> )	
THHN Wire (see <i>Wire</i> ).....	.....
Track Lighting (see <i>Lighting Fixtures</i> )	
Transfer Switches	
Automatic.....	.....
Manual.....	.....
Transformers	
Up to 600V (see <i>Electrical Distribution</i> )	
Medium Voltage (see <i>Medium Voltage Distribution</i> )	
Utility Transformers – Pole Mounted.....	.....
Trench Duct.....	.....
Trenching and Excavation (see <i>Civil</i> )	
Troffer Fluorescent (see <i>Lighting Fixtures</i> )	

### U

Underfloor	
Raceway.....	.....
Raceway Fittings.....	.....
Underground Communications Wires and Cables (see <i>Wire</i> )	
Underground Feeder Cable (see <i>Cable</i> )	
Utility Transmission & Distribution	
Pole – Concrete.....	.....
Pole – Steel or Aluminum.....	.....
Pole – Wood.....	.....
Pole Foundations.....	.....
Post Hole – Hand Dug.....	.....
Post Hole – Truck Auger.....	.....
Trimmed Out Pole with Cross Arm.....	.....

### W

Wind Electric Systems (see <i>Generators</i> )	
Wire	
Aluminum Wire.....	.....
THHN.....	.....
XHHW.....	.....
Copper Wire.....	.....
THHN.....	.....

## INDEX OF ELECTRICAL MATERIALS

XHHW .....	
Wire Terminations	
Wire Connectors (Wire Nuts)	
Crimp Terminations.....	
Splice Connectors.....	
Control Wire Termination.....	
Switchboard	
Feed Conductor.....	
Ground Conductor .....	
Panelboard.....	
Feed Conductor.....	
Ground Conductor.....	
Wire Conversion Table (see Appendix A – Table 4)	
Wiremold Products (see Surface Raceways )	
Wireway	
Hinged Cover.....	
Screw Cover.....	
Flanged End Wireways.....	
JIC Type Wireways.....	
Wiring Devices	
Receptacles – Single.....	
Receptacles – Duplex.....	
Receptacles – Locking.....	
Receptacles – Pin Type Circuit Breaking Polarized.....	
Switches – Toggle.....	
Switch – Double Throw.....	
Switch – Dimmers.....	
Wiring Device Cover Plate.....	
Weatherproof Cover.....	

#

5 KV Cable (see Medium Voltage Cable)	
15 KV Cable (see Medium Voltage Cable)	
600V Building Wire (see Wire )
