

NECA EMERGE 2026:
A Specialty Work & Emerging Opportunities Conference

April 13–15, 2026
Atlanta Marriott Marquis
Atlanta, GA

INTRODUCING THE ULTIMATE NECA EXPERIENCE:
NECA Emerge 2026!

This groundbreaking conference consolidates specialized contractor areas and key business trends, streamlining travel and driving efficiencies for NECA contractors and stakeholders.

NECA EMERGE unites several industry-favorite meetings—including Service & Maintenance and Business Development, and low voltage and systems integration disciplines from the NECA-BICSI Summit—merging them into one power-packed three-day conference.

Attendees can customize their experience, choosing from diverse tracks on Service & Maintenance, Green Energy Initiatives, Low Voltage & Systems Integration, Business Development and Emerging Opportunities.

WHO SHOULD ATTEND EMERGE?

Individuals in a wide variety of roles across NECA member companies, chapters and other related groups who interact with business development, innovation, service & maintenance, low voltage, and other emerging areas of work.

WHY SHOULD YOU ATTEND EMERGE?

Attend this conference for a comprehensive opportunity to grow your business across high-demand sectors in the coming years. Explore the five tracks at EMERGE to expand your business' services, and don't miss the chance to discover innovative products at the trade show!
