**NECA's New Role:
Executive Director, Education Outreach**

- Provide an additional resource for you and your members for training and education
 - More calls and touchpoints to ensure you know the resources that are available
 - Act as a sounding board for needed resources
 - Identify training professionals within our membership and create a network to foster knowledge and collaboration

NOW LAUNCHING

NECA Training Professionals Community
Est. 2026

A peer network for Training, Education, and People Development professionals across NECA contractors, chapters, and partners.

Dedicated to the leaders who develop the electrical industry's most critical asset:
OUR PEOPLE

NECA Training Professionals Community

1. Identify and unify contractor training professionals across our membership
2. In-Person launch at EMERGE, April 13th - Training Professionals Symposium Preconference Session
3. The Training Professionals Community serves as a catalyst for ongoing engagement, meaningful connections, and open dialogue.

Build the Training Professional Community
Identify and unify contractor training professionals across our membership

In-Person launch at EMERGE 2026
- April 13th Training Professionals Symposium

Ongoing Engagement via NECA Education and Networking Platforms

The NECA Training Professionals Community will:

- Advance NECA's library of training content as a resource to NECA members.
- Focus on an individual's development and learning pathways.
- Expand the creation of resources for contractors to guide their employees, delegate training, and move the industry and individuals forward
- Create feedback loops for continuous improvement and benchmarking
- Foster connections and relationships for peer networking, best practice sharing, and collaboration.

PRE-CONFERENCE SESSION

NECA Training Professionals Symposium

April 13, 2026
1:00 p.m. – 5:00 p.m.

If you serve in a Training, Education, or People Development role for a NECA contractor, chapter, or partner, this Training Professionals Symposium is an excellent fit for you. Participants will take part in the official launch of NECA's Training Professionals Community (TPC). We will outline the vision for this newly formed peer group and share insights and best practices you can apply when you return home from the 2026 EMERGE. Most importantly, you will begin building meaningful connections with fellow training professionals from the moment you arrive in Atlanta.

Field Leadership Essentials

- One-day, in-person program that can be delivered locally, by local instructors
- Focuses on the knowledge and skills that every field leader must learn to be an effective manager of people, time, equipment, and materials
- Talk to your field rep!
 - We have instructors in each region trained to deliver the program
 - We can host train-the-trainers around the country and can schedule one local to you
- Due to a generous grant from the Premier Partners, we can offer this program at a very low cost and are offering at least one free class to each NECA Chapter each year
- **A special version for outside line field leaders is being released in early 2026**
