

2021 NECAPAC CAPITOL COMPETITION

This year we are beginning a new NECAPAC Annual Competition. Each NECA Chapter will be placed in one of four groups based on chapter size and NECAPAC goal. Throughout the year, we will be spotlighting the Chapters that are ahead in each group in the newsletter and during NECA National Events.

THE COMPETITION:

To maintain our strong influence in Washington, D.C., we encourage all NECA Chapters to participate in their Chapter Competition Group. Chapters will compete against the other chapters in their group to raise the most funds for NECAPAC.

THE PRIZE:

The winning chapter for each group at the end of the year will receive recognition and an award at AEI in 2022.

CONTEST TIMELINE:

January 1, 2021–December 31, 2021

1201 Pennsylvania Ave. NW, Suite 1200
