

Procedures for Employers to Become Signatory to the  
IBEW International Wind Turbine Agreement (IBEW WTA).

1. All requests to become signatory to the IBEW WTA and/or requests for the use of the IBEW WTA shall be accompanied by information describing the location and scope of the project for which it is being requested and shall be processed through the IBEW Construction and Maintenance Department.
2. The IBEW Construction and Maintenance Department will investigate the appropriateness of the request with the assistance of the International Vice President in whose district the Employer is headquartered, and/or the International Vice President in whose district the project is located. These International Vice Presidents will provide a recommendation for the consideration of the International President.
3. The Employer and National NECA will be notified of the International President's decision.

If the decision to become signatory is favorable, the International President will provide the Employer with three (3) copies of the Agreement to be signed and returned.

If the decision for requested use is favorable, the Employer will receive Conditional Approval to allow for a Pre-Bid Conference to be held in accordance with Section 11.08 of the IBEW WTA.

4. Once advised by the International Vice President for the district in which the project is located that all necessary pre-bid items have been agreed to, the IBEW Construction and Maintenance Department will send the Employer and the International Vice President the "Approval for Use."

5. The International President will provide one (1) signed copy of the Agreement to the Employer for the Employer's records, one (1) to the respective International Vice President, and one (1) copy will be retained in the International Office.
6. Subsequent requests for use of the IBEW WTA by signatory Employers must be submitted for each and every individual project in accordance with Items 1 and 2 above.
