

# INDUSTRY ALLIANCE NETWORK

The Industry Alliance Network will connect NECA members to a wide array of products and services designed to support their companies' success and provide solutions with increased access and attention within our industry.

# NECA'S INDUSTRY ALLIANCE NETWORK

The electrical construction industry is evolving rapidly, and NECA is embracing new initiatives to ensure its members are prepared to face the challenges of today and tomorrow. With a renewed focus on education, innovation and technology, NECA is launching the **Ambassador** and **Affiliate** sponsorship programs. These programs—separate from NECA's Premier Partnership agreements—will connect NECA members to a wide array of products and services designed to support their companies' success and provide solutions with increased access and attention within our industry.

There are four pillars to NECA's Ambassador and Affiliate sponsorship programs: Networking and Promotion, Name Recognition, Digital Marketing and Social Media, and Communication and Education.

## Networking and Promotion

Sponsors will get their brand in front of the NECA audience at events and programs throughout the year. This includes being featured at the annual NECA Convention and Trade Show, and invitations to key networking opportunities.

## Name Recognition

Ambassador and Affiliate companies can leverage their NECA sponsorship to build clout and reputation within the electrical construction industry, creating direct relationships with NECA members.

## Digital Marketing and Social Media

Sponsors gain an immediate, prominent presence in the publications and digital outlets that electrical contractors trust. This includes newsletters, print magazines, NECA's web brands, impactful social media posts, and much more.

## Communication and Education

Sponsors can get their message in front of electrical contractors through sponsored content, advertising, and webinars. This is an opportunity to deepen the conversation beyond logos and branding; companies can present their case directly to the audience.

### PREMIER PARTNER PROGRAM

An elite top-level sponsorship program giving organizations an opportunity to access NECA's Contractor community year-round, with full business category exclusivity and protection.

### AMBASSADOR PROGRAM

A mid-level program offering various sponsorship opportunities with increased access to NECA's Contractor community and name recognition benefits.

### AFFILIATE PROGRAM

An introductory-level sponsorship program giving organizations an opportunity to partner with NECA digitally with limited access to NECA's Contractor community.

### ADDITIONAL COMMITMENTS

- ✓ Two-year commitment
- ✓ Sponsors are required to commit to a trade show booth of a minimum of 10' x 10' for the NECA Convention and Trade Show.

“At NECA, a key value we provide is connecting our members with the products and services that are leading our industry. The Ambassador and Affiliate Programs were envisioned as new avenues to deepen the conversation between these brands and NECA member companies, providing sponsors with increased industry access and awareness, and our members with even more resources to help drive their success. It is NECA National’s goal to research all avenues to keep our contractors on the cutting edge of safety, growth and sustainability for the long haul.”
